ELECTRICAL PERMIT AFFIDAVIT

Permit # _____

The undersigned hereby is requesting to apply for an Electrical Permit for the purpose of restoring permanent power to a residential or commercial property, that has been vacant for six or more months. In making this request, the undersigned states the following to be true and relieves the City of Port Wentworth of any liability.

- Has performed an electrical inspection of the property and deemed the property to be in compliance with current electric codes adopted by the State of Georgia.
- Has deemed the property safe to have the electrical power restored to Georgia Power or other power company.
- Applicant acknowledges that he/she is aware that a permit issued under the provisions of the code may be revoked for false statements of misrepresentations as to the material fact in the application on which the permit was based.
- Failure to comply with all above will result in the loss of electrical service and legal action as prescribed by law.
